

Arrangierfenster von Logic Pro (Sequenzersoftware)

Werkzeuge "Eingabe" mute "stumm" record "Aufnahme"

The screenshot shows the Logic Pro Arranger window. On the left is the Library with 22 tracks. The main area shows a timeline with tracks for Audio 1-4, Grand Piano, Polysynth, Fingered Bs., Muted Gt., Strings, Pizzicato Str., Brass 1, Trumpet, Reverse Cym., Drums Mapped, E. Piano 1, Syn. Strings 1, Square Wave, Saw Wave, Soundtrack, Kein Ausgang, and Metronom. Annotations with arrows point to specific elements: 'Werkzeuge "Eingabe"' points to the tool palette; 'mute "stumm"' points to the 'M' icon on track 2; 'record "Aufnahme"' points to the 'R' icon on track 5; 'Region (Audiospur)' points to an orange bar on track 2; 'Sequenz (Midi Spur)' points to a black bar on track 5; 'Auswahlspur für Midi-Instrumente' points to the track 5 header; and 'Transportfenster' points to the transport controls at the bottom.

Annotations:

- Werkzeuge "Eingabe"
- mute "stumm"
- record "Aufnahme"
- Region (Audiospur)
- Sequenz (Midi Spur)
- Auswahlspur für Midi-Instrumente
- Transportfenster
